

# 2021 Local Services Directory

Welcome to the 2021 Botesdale, Redgrave and Rickinghall *Local Services Directory*, containing *contacts* for local organisations and services. Details of *times* and *venues* are *normally* found on the middle pages of the Parish Magazine. Of course, these are not *normal times* – which is why this Directory was printed on the middle pages of the Parish Magazine in March.

In spite of all the disruption, the Directory assumes things will improve, so includes information about our local activities in the firm expectation they will be back some time this year! Sadly, some organisations no longer appear here for non-Covid reasons, but never say never – they too could be back! Keep an eye on the Parish Magazine for “green shoots of recovery”.

Please take the current situation into account when using this directory, as it may not be appropriate to make contact with others in the usual way – for example the *Botesdale Health Centre*, which is valiantly focusing on vaccinations.

If you would like to make updates to the directory, or understand the safeguarding of personal data it uses, please contact the Parish Magazine editor (contact details below). The directory is updated throughout the year; changes being recorded :

- online at [www.stmarysrickinghallinferior.onesuffolk.net/local-information](http://www.stmarysrickinghallinferior.onesuffolk.net/local-information)
- by updating your printed copy - changes are advertised on page 3 of the Parish Magazine
